FAQs

Will there be tickets for sale on the night?

Subject to availability, there will be tickets for sale at the gate. However, we usually sell out ahead of the event, so we recommend that you get your tickets early!

What food options will there be?

In addition to our popular parent-run BBQ, there will be a pizza van (with gluten-free options) and a coffee cart - cash or card payments accepted.

Is there parking available?

There is no parking available onsite, however there is limited parking available around town near the school.

How will the token system work?

Tokens are used to pay for the teacups and fairground games. Bags of £5 or £10 worth of tokens will be available to purchase in the week leading up to the event, as well as on the night. Tokens are not refundable, but unused tokens can be used at future events.

Event Guide

FAQs

What are the safety precautions in place regarding children?

Wristbands will be provided at the entrance for children to wear that parent's can write their phone numbers on as they arrive.

There will be security manning the entrance at all times so children cannot exit on their own.

We will be running a PA based at the Harmony Centre at all times, so if any children cannot find their parents they can proceed to this location and we can ask for parents to come collect them.

Will there be first aid available?

St John's Ambulance will be located in the Hive for the duration of the event and are ready to provide assistance if injury occurs.

What are we raising funds for?

All proceeds will be put towards PTA-funded enrichment for our school.
